FACULTY MEMBERS GIVE SELECTIONS

AT COLLEGE ASSEMBLY THIS MORNING

STUDENT BODY HEAD

William Richards, Who Was Recently Elected, Introduced—Pep Meeting Is Planned

A delightful assembly was given by the College Conservatory faculty at 10 o'clock this morning. The program was in charge of Charles Gardner, Dean of the Conservatory.

Each member of the faculty of the Conservatory gave several solo selections and returned numerous times for encores. T. H. Annett was accompanist for the solos.

The program was as follows:

Violin solo, selections—William Larson.

Vocal solo, "Spring Fancy"—Ann Leonard.

Piano solo, "Scotch Dance"—T. H. Annett.

Baritone solo, "Little David"—Luther A. Richman.

Following the musical numbers the program was turned over to the student body council. Jason Kemp, the retiring president, presided. He introduced "Bill" Richards, the new president to the students. The election of officers was held last night, the other members of the cabinet being as follows: vice-president, David Max; secretary, Hazel Pixler; sergeant-at-arms, Floyd Cook.

Cone-shaped hats, which can be used as megaphones were passed out to the assembly. These hats will be worn Friday by the students during the entire day and in the class rooms. Printed on the sides of the hats is "S. T. C.—Beat Springfield."

President Uel W. Lamkin and Dr. Keller gave enthusiastic pep talks and urged full attendance to the pep meeting which will be held tomorrow evening at the Courthouse Square. Dr. Keller said that it should be the plan of the students to profit all they can by the studies yet it was just as important that they enjoy themselves at the football game.

Should the Maryville Bear Cats win a victory another big demonstration such as took place following the Kirksville game will be observed by the students.

The girls and boys of the College have organized and will vie for honors in yelling for the team during the game Friday. Ernest Ellis and Perry Eads are leaders of the boys pep club. A permanent organization is to be formed and honors will be given for the loyal support given to the boys.

The picture will be shown again at the Electric Theater this evening.

DR. S. D. LARGE OF HOPKINS IS DEAD

DIES AT 10 O'CLOCK YESTERDAY MORNING

29 YEARS IN COUNTY

Came to Hopkins in 1894—Funeral Service Will be Held Tomorrow Afternoon

Dr. Stephen Douglas Large, 62 years old, for many years a practicing physician at Hopkins, died at 10 o'clock yesterday morning at his home there. About two years ago Dr. Large suffered a stroke of apoplexy from which he apparently had recovered. He suffered a second stroke a week ago Tuesday, which resulted fatally. Funeral services will be held at 1:30 o'clock tomorrow afternoon at the Presbyterian Church in Hopkins, conducted by the Rev. J. B. Bloom, pastor of the First Reformed Church in St. Joseph. Burial will be in the cemetery at Athelstan, Ia.

Dr. Large was born June 30, 1861, just across the state line in Taylor County, Ia., and has passed practically his entire life within a radius of fifty miles of his birthplace. Dr. Large remained on the home farm until he had attained his majority, and in the high school of Shenandoah he completed his literary education. He entered the Keokuk College of Physicians and Surgeons and completed his medical studies in that institution in 1887. After his graduation he opened an office in Shambaugh, Ia., where he remained for three years, and in 1890 he located in Corning, this state, where he conducted a drug business in connection with his practice. In 1894 he came to Hopkins and purchased the drug stock of Dr. Girard and disposed of it in 1900. As a physician Dr. Large was well known throughout a wide region.

In politics Dr. Large was a Democrat, and fraternally he was connected with the Masons and Odd Fellows. Surviving him are the widow and a daughter, Audrey Jane, 6 years old. One brother, John W. Large, Athelstan, Ia., and a sister of Bedford, Ia., also survive.

S. T. C. SQUAD ON EDGE FOR FRIDAY

IN THE ANNUAL CLASSIC WITH SPRINGFIELD.

BEAR CATS HANDICAPPED

Bears Use Long Forward Passes and Long End Runs—Star Half May Not Start.

Coach H. Frank Lawrence is putting the final touches on the Bear Cat squad in preparation of the football game with Springfield Teachers College team on the College gridiron Friday. The entire squad is on edge for the battle with the Bears. No one expects an easy battle with the old rivals of the local S. T. C.

Maryville is handicapped by minor injuries to several members of the Bear Cat squad, but the Bears are in about as serious a condition. Max Cherry, the sensational halfback of the Bears, has been in the hospital for an infected arm and probably will not start the game with the Springfield team. Other members of the squad have minor injuries.

Two different types of football will be displayed in the game Friday. The Bears play the long forward pass and long end runs, while the local Bear Cats depend on short passes and short end runs with heavy interference. The interference has shown a decided improvement of form over the first month of football and has provided the College with three victories in as many games.

The coach will not pick the line-up that will play for Maryville until the afternoon of the game and so all of the members of the squad have a fighting chance to play in the Springfield game. O'Banion will probably start at quarterback and will also do the punting for the Maryville squad to keep the fighting Bears away from the Maryville goal.

The Missouri University-Springfield game, the first of the season, was a surprise to Missouri football fans. The Tigers were held to a 10 to 0 score and the goal line threatened many times by the long passes of the Springfield backfield.

A record breaking crowd is expected to witness the game. The student body of the College will be placed in one section of the grandstand so that the cheering will be organized.

Pruitt Escapes From Officer at Burl. Jct.

Made His Get-Away From Constable McAtee When He Went Into a Room for His Coat.

William Pruitt, who was indicted on a charge of possession of a still, made his get-away yesterday afternoon from Eli McAtee, constable at Burlington Junction, when Pruitt went into a room of his house for his coat. Pruitt has been wanted by the county authorities since the recent grand jury, and a day or so ago returned to his home in Burlington Junction. McAtee telephoned Sheriff Roach yesterday that Pruitt was in Burlington Junction and received instructions from the sheriff to hold Pruitt until an officer from Maryville could get him. McAtee went to the Pruitt home in old Cleveland, which is now included in Burlington Junction and was at first refused admission into the house. Pruitt finally opened the door and let McAtee in. Pruitt said he would go for his coat which was in another room and while McAtee was waiting for him to return discovered that Pruitt had opened a window and had escaped. At last accounts Pruitt was still at large.

W. W. Randall went to Burlington Junction after Pruitt after McAtee had notified the sheriff he was there. But when Randall arrived there, the prisoner was gone.

The sheriff's office received information that Pruitt was seen yesterday afternoon by some duck hunters on the Nodaway river south of Burlington Junction. Pruitt was going south at that time.

LAUDS MARYVILLE SPIRIT

Dr. Robert D. Patterson of Spring Lake Beach, N. J. likes Maryville. He says so. He has even gone further than this. He has written a statement to this this effect. The document reads as follows:

"I like very much the spirit of Maryville. It really is a second Los Angeles in boosting.

"The one fault I find is the shortage of homes. In no place have I found such a housing condition."

Dr. Patterson likes Maryville so well that he is going to locate here in the near future. He told L. H. Brownfield, secretary the local Chamber of Commerce that this is a town to be proud of and that is why he is coming here.

POULTRY SHOW TO BE HELD DEC. 4-7

IS TWENTY-SECOND ANNUAL EXHIBITION OF FANCIERS

MANY PREMIUMS OFFERED

List Is Much Better and Bigger Than Ever Before In History Of Association

The twenty-second annual exhibition of the Northwest Missouri Poultry Association will be held at the Armory in Maryville on December 4, 5, 6 and 7.

Merchants were being solicited for premiums today. According to those in charge of this work, the committee is meeting with greater success than ever before in the history of the association. More and better premiums will be given this year.

Premiums on single birds will range from 50 cents to $1.25, and on pens from $1 to $3. Boys and girls, registering at the Farm Bureau office, will receive special prizes to be awarded during the show.

Girl Faces Charge of Murder in Court Today

Miss Margaret Allister, 21, Is Accused Of Slaying Paul Murdock, Noted Prizefighter

Kansas City, Oct. 31—The state will ask at least life imprisonment of Miss Margaret Allister, 21 years old, it was made known today by George H. Combs, Jr., prosecutor, in his opening statement to the jury in the trial of the girl for the murder of Paul Murdock, prize fighter and soft drink parlor owner.

The defense declared it would argue that the girl shot Murdock in self-defense as he attacked her. That the state might ask for more severe punishment was indicated when the assistant prosecutor asked each prospective juryman if he had any scruples against hanging a woman.

WILLIAMS ROAD CASE UP IN COURT

CLAIMS DAMAGES ON ACCOUNT OF WIDENING STATE ROAD

MUCH INTEREST IN CASE

Commissioners Reported No Damages To Williams On Account Of Benefits—Exceptions Filed

The case of the State Highway Commission against S. H. Williams, condemnation, was up in circuit court today. This is the first case here of its kind since the new state highway system was adopted a few years ago and a bond issue of $60,000,000 was voted to build these roads.

Williams has a farm on the secondary road between Maryville and Burlington Junction and the state highway commission had this road widened and cut in front of his farm.

According to the report of the commissioners appointed by the court, Williams was not given any damages by reason of the benefit of such a road in front of his farm. Williams filed exceptions to the commissioners' report and claimed he is damaged between $1,200 and $1,500. He contends the new road takes off of his farm a thirty-foot strip of land for forty rods, cut down the level of the road some eight feet deep in front of his house, making his house and barn high up from the road. The new road took .45 of an acre of land, and also took up eleven shade trees and put his house about twenty-two feet from the road.

Williams testified on the stand he had been offered $14,000 for his farm before the cut in the new road was made and today would take $12,000.

A. F. Stitt and S. S. Webb of Burlington Junction testified Williams was damaged about $800.

The jury hearing the case is composed of W. P. Scott, Carl Maul, Henry A. Thompson, Harry Cowan, Alvin Robinson, Henry Rowlett, L. O. Reakseeker, A. M. Hazelton, J. M. George, Ed Ward, Carl Helzer and Deb Strong. The state is represented by Dr. O. L. Curl, prosecuting attorney, and McCaffrey & Cook. Williams is represented by Cook & Cummins.

Edith Glenn, collector, vs. Andrew M. Barker, back tax, plaintiff dismisses suit.

Roy Ramey vs. Sarah Ramey, modify divorce decree, motion for modification of divorce decree overruled and defendant's motion for attorney fee sustained for $50.

Government Insurance May Be Reinstated

Many Ex-Service Men In Nodaway County Are Taking Advantage Of This Opportunity

Quite a number of ex-service men in Nodaway County are taking advantage of the opportunity to reinstate and convert their Government insurance now. Mr. Reed of the Chillicothe office of the United States Veterans Bureau says that that office has reinstated and converted nearly $250,000 of Government insurance during the last month. Mr. Reed handles the claims of the ex-service men in Northwest Missouri.

Government insurance is now available to all exservice men who had insurance while they were in service. This can be reinstated with the payment of only one monthly premium in arrears providing they can pass a satisfactory medical examination, which is required with all reinstatements. This insurance can be reinstated or converted or both in any amount from $1,000 to the amount which was carried while in service.

Premiums can be paid monthly, quarterly, semi-annually or annually. The government offers six different policies. These are: ordinary life, twenty-pay life, thirty-pay life, twenty year endowment, thirty year endowment and endowment at the age of sixty-two. These policies are all participating.

Mr. Reed of the Chillicothe office will be in Maryville until Friday morning. A number of ex-service men are planning to reinstate their insurance while he is here.

ENGLISH SCHOOLS DIFFER GREATLY

FROM THOSE IN UNITED STATES, SAYS MISS WINN.

WRITES PRES. LAMKIN

From London, Where She Is Attending University—Is on Leave of Absence.

Miss Beatrix Winn, head of the English department of the Northwest Missouri State Teachers College, and secretary of the Northwest Missouri Press Association, is attending London University while on a year's leave of absence from her work here.

The following is a portion of a letter she recently wrote to Uel W. Lamkin, president of the College:

"English universities are very different from American ones in many ways. One of the most startling is that anyone can take any class they desire, therefore I am attending lectures with freshmen, seniors, candidates for the doctor's all in the same course. English undergraduates are better prepared than ours or many of these students are getting nothing from some of the lectures as I have heard only one man talk down to the freshmen in the room. Each student comes up for examinations when he pleases or never at all if he decides they are too much for him.

"Another thing which surprised me is the number of women holding important executive positions in the various colleges and the number of women teachers. One thing I have especially liked is the attitude of the men teachers who are quite ready to say, "Miss So and So is one of the most brilliant lecturers on the faculty; you would do well to listen to her." The English students seem quite as ready to bow down before the women lecturers as before the men; it is only among Americans that I have heard anyone say they did not want a course because a woman conducted it and they were people who had been trained in the East.

"The manners of the English are very charming. These men and women who are famous in the world of learning have all spent more time discussing my work with me than I received from the department at Columbia during the entire year I was there.

"The secretary of the British University Women's Association invited me to her country home the first week end I was in London and has since had me to dinner at her London home. I have been elected as one of the twenty-five foreign members of the London University Women's Club so that all in all I have already seen a good deal of English life. The American University Union is having a reception Thursday to introduce the Americans to each other. I have already met English teachers from Vassar, Randolph, Macon, Sweet Briar, and Dallas University.

"The cheapest thing that I have found here is the bus fares. I can go to either Bedford or Kings for one penny. It takes a half hour to walk to either. For three pence one can ride many miles. Theatre seats are very high; even the second balcony being $1.50 at the most ordinary plays."

ANTI-KLAN BILL IS INTRODUCED TODAY

WOULD PROHIBIT WEARING OF MASKS TO CONCEAL IDENTITY

HEAVY FINES PROVIDED

$1000 To $5000 Is Penalty For Violation Of One Provision—To Try Walton Tomorrow

Oklahoma City, Oct. 31—A bill, prohibiting the wearing of hoods or other masks, except in lodges or private homes, and forbidding the assembly of one or more persons for the purpose of whipping or destroying the peace of another, was introduced in the Oklahoma Senate this afternoon by C. B. Leedy.

This is the first attempted legislature in Oklahoma aimed directly against the Ku Klux Klan, and follows the chaotic situation which was attended, according to enemies of the Klan, by floggings and other illegalities.

One section provides penitentiary sentences for persons gathering for the purpose of incenting a disturbance. Such an offense is termed a riot.

It shall be unlawful for any person to wear or appear in any kind of robe or mask which will hide his identity or obstruct the view of his face or features, except in lodge organizations. These persons ,however, shall not appear in public or on the premises of another.

The bill holds it unlawful to meet, travel or assemble for the purpose of whipping. Violation of this provision carries a fine of from $1,000 to $5,000, and imprisonment in jail from thirty days to one year.

Failure of officers to diligently prosecute violators of this law is made a cause for their removal from office. It is made the duty of the attorney-general to prosecute county officers for failure to enforce the proposed law.

Oklahoma City, Oct. 31—Violation of the state constitution by the appointment of a state representative to a position which he helped create, will be the first charge faced by Governor Walton when he is called before the Oklahoma Senate tomorrow to answer twenty-two articles of impeachment.

This was officially announced today, subject to last minute changes by the board of managers of the House which will prosecute the case.

The trial of the suspended Governor will be called in the Senate court at 10 o'clock tomorrow morning. He is expected to ask that the articles of impeachment be thrown out by the court. Leaders in the court said this demurrer, if offered, would be overruled.

"The articles of impeachment will be presented to the Senate in regular order as they appear in the official records," a spokesman for those in charge of the trial said this afternoon.

"Article one charges that Governor Walton appointed C. H. Basking as district judge in violation of the state constitution that provides that state officials cannot be appointed to offices which they, themselves, helped to create. Basking, it will be charged, worked for the passage of the bill which created the judgeship he is now holding."

Oklahoma City, Oct. 31—Thousands of dollars in public funds illegally secured by various state employes may be returned to the Oklahoma treasury, it became known today in connection with the legislature's probe of corruption and graft.

The banking investigating committee announced today that "a certain employe" insisted on the committee's accepting a check for $1500 which represented funds collected from the state by illegal appropriation to the agent's private use.

In offering to return the money, the employe told the committee that he had not intended to defraud the state, but held the money through a misconception of what he should have turned in.

When the legislature learned of the offer and several others that have been presented to several investigating committees by employes alleged

Bearcats Will Win

This will be the outstanding football game of the season here. The Springfield Bears beat Cape Girardeau 46 to 3; swamped Culver-Stockton 38 to 2; won from Cumberland University 17 to 0, and was defeated by the Missouri University Tigers only 10 to 0.

For the first time in football history the Bearcats will go into the game with an even chance to win despite minor injuries of some players. They have won their last three games and say nothing can stop them.

But whatever the outcome it will be a game no football fan will want to miss.

Good Sized Audience Present at Tabernacle

Baptismal Services At 7:15 O'Clock Tonight—Book Stand Has Been Placed In Tabernacle

A good sized audience was present last night in the tabernacle in spite of the bad roads and the cold spell of weather. The outside delegations did not get in however. A few country people were present and all who attended enjoyed the service in sermon and song.

Arthur Hamilton sang two solos which were very impressive and the Evangelist O. E. Hamilton continued the sermon of Sunday night on evidences that the Bible is the Book of God. There were two additions at the service last night making twenty-six in the two days of invitation.

There will be baptismal services in the tabernacle tonight, beginning promptly at 7:15 o'clock. A baptistry has been installed and just above the baptistry is an electrically lighted cross which will be displayed while the rest of the lights are turned off. This promises to be a very impressive and beautiful service.

It is expected that by the service tonight the outside delegations will be able to drive in. Ravenwood, Guilford and Arkoe are to send special delegations tonight.

A book stand has been installed in the tabernacle where papers, tracts and books will be on display for the convenience of the revival goers. Many of the papers and tracts will be for free distribution, while the books will be on sale. There will be no profit to any local people in the sale of these books but it is just a plan whereby good religious books will be sold for the convenience of all.

Correction

In your paper of Oct. 27 you state that the prize offered to the W. P. F. C. with the largest representation of schoolchildren was given to Fairview as they were the only club eligible. You were misinformed and we wish to correct the error. The prize of $25 went to the W. P. F. C. of Common Sense Dist. No. 178. There are at least 5 W. P. F. C's in Nodaway Co. thus several eligible.

Very respectfully, Mrs. E. C. Ingram
Secretary-Treasurer.

Mob Invades Office of Election Official

Demand That Certain Election Officers Be Appointed For Memphis Voting Nov. 8

Memphis, Tenn., Oct. 31.—Five thousand alleged members and supporters of the Ku Klux Klan today marched to the courthouse here and stormed the office of John Brown, election commissioner, demanding that certain election officials be appointed to serve in the municipal election here November 8.

A riot call was sent to the police headquarters, but the mob had created its mission before the arrival of a handful of police.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.

SPIRITS TO WALK IN SECRET TONIGHT

A kaleidoscope of jack-o'-lanterns, black cats, witches, masquerades, ghosts and a rollicking time to American boys and girls.

But Maryville kids must be good tonight, Harve England, chief of police, said this afternoon. It's all right for them to have fun, but when it comes to destroying property—well, that's a different proposition entirely, the chief said. Ordinary, innocent Hallowe'en paraphernalia will be tolerated but rought work—no sir, not a bit of it!

But Halloween really is a collection of kindly old customs and hoary traditions which preceded the religious holidays, All Saints' or All Hallows' Day (Hallowmas), November 1 and All Souls' Day, November 2.

November 1 was the date of the autumn festival of the Druids, honoring the sun in thanksgiving for the harvest. The Druids believed in the transmigration of souls and that on the eve of the festival, Saman, Lord of Death, called a meeting of the wicked souls that had been forced to live in animal bodies for a twelvemonth. Hence our ghosts today!

Also on or near November 1 the Romans of long ago observed a feast to Pomona, goddess of fruits and seeds. At that time they opened their winter stores of provisions, gathered in the summer months. Hence our Halloween nuts, apples and cider.

Unidentified Man Is Killed; Probe Begun

Houston, Texas, Oct. 31.—An investigation was started today to determine the manner of the death which an unidentified man met in the railroad yards here last night. The right side was found with the right arm cut off at the shoulder. Police believe that the man fell asleep on the tracks and was run over by a switch engine.

Quart of Water Cleans Kidneys

Take a Little Salts if Your Back Hurts, or Bladder is Troubling You

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Eating too much rich food creates acids, which excite the kidneys. They become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood. Then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, begin drinking a quart of water each day, also get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys may act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush and stimulate the kidneys; also to help neutralize the acids in the system, so they no longer cause irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications. By all means have your physician examine your kidneys at least twice a year.

Jobs are scarce for the
Physically Run-Down

THE DOOR of opportunity flings wide its portals only to the man who is up and doing—who is filled with pep and punch—with rich, red blood tingling through his veins. Mountain size obstacles dwindle to ant hills and ambitions become accomplishments to these sort of men.

Where is the employer who seeks the man who is physically run-down? —The man without stamina to withstand the knocks and gaff of the hurrying, scurrying world of business?

S. S. S. is the long established and time honored creator of red blood cells. You cannot expect to get very far up the ladder unless you are equipped with a body that is strong and vigorous. S. S. S. will start you on your way. Don't allow the "Door of Opportunity" to be closed to you because you have not the stamina to withstand the gaff—because your nerve power is lacking. Build up your system!

S. S. S. made of carefully selected and scientifically prepared and proportioned herbs and barks makes you fit! Get back that old time punch! When opportunity knocks be ready to answer the call!

S. S. S. is sold at all leading drug stores. It is more economical to buy a large size bottle.
